Our mission is to support the fight against Human Trafficking by providing educational awareness and prevention activities to schools and the community-at-large. We donate needed funding and/or tangible items to at-risk youth, law enforcement, regional anti-human trafficking nonprofits, safe homes and rehabilitation centers.

*\* The Blue Heart symbol represents the sadness of those who are trafficked while reminding us of the cold-heartedness of those who buy and sell fellow human beings. This is a United Nations logo.*
